

TOWN OF ST. JOHNSBURY

Wastewater Operator Position

Nestled in the Northeast Kingdom of Vermont the Town of St. Johnsbury is a destination for outdoor recreation including mountain biking, hiking and skiing. Downtown St. Johnsbury boasts a revitalized downtown, a leading independent private school, an array of cultural arts and a variety of dining opportunities. The Town of St. Johnsbury serves a community of approximately 7,500 residents and a vast number of visitors.

The Town of St. Johnsbury is currently accepting applications for the full time position of Operator at the Wastewater Treatment Facility. This position is responsible for assisting in daily operators of the Wastewater Treatment Facility including control flow and processing of wastewater, sludge and effluent, monitoring gauges and meters, obtaining samples for testing and analysis and maintains required records. Applicants should have a strong work ethic, positive attitude, the ability to multi-task, attention to detail and the ability to work both independently and as a team. Applicants must have a high school diploma or equivalent and a valid driver's license. Wastewater Operator license must be obtained within two years from date of hire.

Full- time employment offers competitive compensation, a generous benefits package including health, dental, life insurance, short-term disability insurance, retirement and 457 plans, as well as ample vacation time and sick time benefits.

To apply submit a resume and cover letter to:
