

St. Johnsbury Cemetery Commission
April 27, 2019

The St. Johnsbury Cemetery Commission met at the Ayer-Hawkins Cemetery, Crepeault Road. In attendance were Lauren Järvi, Andy Dussault, Bryan LeBlanc, and Kenneth Robinson

Meeting called to order by Lauren at 9:03 AM.

We discussed the removal of several large trees on the North side of the fence. The concern is that they will continue to shed branches, and eventually fall into the cemetery, damaging the property and nearby memorials. Ken agreed that he could take the trees down, likely in the fall.

Andy moved to approve the tree removal. Seconded by Bryan, and approved by both.

The meeting was adjourned at 9:13.
