

St. Johnsbury Cemetery Commission
August 13, 2020

The St. Johnsbury Cemetery Commission met at the Welcome Center in the Town Office Building on Depot Square. In attendance were Lauren Järvi, Bryan Leblanc, Tim Clouatre, Andy Dussault, Roger Brown and Beulah McGinnis.

Meeting called to order by Lauren at 8:00 AM.

Beulah McGinnis explained her concern about a cemetery monument that may be on her family lot, or very near to it, closer than may be allowed at the Grove Cemetery. She provided photos and the lot card for reference. Tim agreed to take a look, measure the lot, etc. He visited the lot after the meeting. We need to get clarification from Chad as to the location of the Thompson stone.

Bryan moved to approve the minutes from our July 16 meeting. Seconded by Tim. Approved by T & B

Andy Dussault explained that the titles for the 'orphan' pieces adjacent to the CVBY have been resolved by Ed Zuccaro following a brief phone meeting with the Probate Court judge on July 27. We await the new deeds being recorded after which he'll see that the corner pins are properly placed. At that point Shane from Truline will be able to complete his work there.

Cal Alexander is due to begin the tree removal next Monday, August 17.

Fiscal year 2020 financial reports were reviewed. We have a surplus that apparently will become part of the General fund for the town.

Tim reported he's continuing his progress on the Policy and Bylaws.

Bryan moved to adjourn at 8.38. Seconded by Tim. Approved by B & T.

Lauren, Bryan and Tim then visited the vault and looked over the formal town cemetery records. We agreed we need to get clarification from Chad as to details of some of the activity early in the Town's ownership of the Grove.
