Andy Dussault explained that the deeds for the 'orphan' pieces adjacent to the CVBY have been recorded in the Town Office. The next step in this process is for Truline to locate all of the stones and enter them into a database that we'll have to confirm location and names. He will also request that they provide an estimate to do similar work at the Grove Cemetery, a project for next year.

We discussed fencing options for the CVBY. Lauren and Tim will work on paying attention to cemetery and other fencing they see and we'll begin to gather information on options including costs.

Tim reported he's continuing his progress on the Policy and Bylaws.

Tim moved to adjourn at 8.45. Seconded by Lauren. Approved by T & L
