We discussed the quote from Anair re monument cleaning at Ayer Hawkins and CVBY. We learned that the method used involves pressure wash and bleach solution. There are concerns about this method and how it might impact the various different monument stone materials. Bryan reached out to Tom Giffen from VOCA who confirmed strong reservations about this method. Lauren offered to reach out to folks at Peacham Cemetery and Lyndon Center Cemetery, both of which hired Anair to do cleaning. We may meet again prior to our regular August meeting to resolve this matter.

We discussed the reports from Truline for Grove and CVBY. It was agreed that more detail will be needed to make the maps and burial listings useful. Lauren will reconnect with Shane to see what else he can provide that will make the reports more useful to us.

Lauren will attend the DAR cemetery day in Concord next weekend. Tim and Bryan have other commitments

The annual financial report from Ridgeline Wealth Management was reviewed. No action was required, and none taken.

Bryan moved to adjourn the meeting at 9:00, seconded by Tim. Approved by B&T.

Our next meeting will be on August 18
