If you cannot make this date and time, you must call the town clerk as soon as possible. Due to the number of hearings we have, there is a truly short amount of time to get these done under statutory requirements. If you are attending via zoom, please send any documents prior to the meeting. If you cannot attend in person or via zoom you can have someone else represent you at the hearing. I just need a letter from you stating who it is, and they have your permission to appeal your assessment. We will still need your contact details for the inspection committee to set up a date and time for property inspection.

There will be a meeting held in person at 51 Depot Square (in the Welcome Center). The Town encourages attendees to experience illness, a fever or have a fever or have been exposed to any Virus please attend by web or phone. Attendance information is provided below. This meeting will be recorded.
