

Design Advisory Committee

July 18, 2019 5:00 PM

Welcome Center & Site Visit

Members Present:

Bob Swartz, Diane Cummings, Kim Behr, Michael Robey, Kelly Doyle, Lorna Higgs

I Minutes of the July 1, 2019 meeting were approved.

II New Application – New Depot Square LLC, 10 Eastern Avenue

After reviewing the project description and drawings, committee members visited the site to get a visual perspective of the exterior renovations, kitchen demolition on the east side, and reconfiguration of the parking area behind the building. The entire project is impressive. A recommendation will be made to the DRB to approve the concept as presented.

Details about exterior colors, decorative fixtures, lighting, signage, and material to be used for enclosing the dumpster area are not included in the documents presented at this time. The DAC looks forward to reviewing that information when it becomes available, along with any other design details to be determined.

III The regular meeting scheduled for August 5th is cancelled. The next meeting date is Monday, September 9th @ 5:00 PM.

Meeting adjourned: 5:55 PM

Respectfully submitted, Lorna Higgs
