## Knob Property Committee Meeting August 2024

### Attendance:

Joe Fox  
Mike Moiarty  
James Murphy  
David Pacum  
Diane Chadderdon  
Kiko Pacum

### Grant Updates

- waiting for town signature, may need to go in front of the board for a final approval.
- Next steps to expedite - Joe is going to send out a draft RFP, as well as an initial list of consultants to invite into the process. This may need to be publicly warned for a specific time period. Basically, we should just follow best practices.

### Property Maintenance

- looks like it was mowed. not sure who coordinated that. Need some clarity on what to expect when. Chad is driving that paperwork.
- it appears to be periodic chainsaw work. check to see if David Brown is the person who is doing it.

### Storm Cleanup

- there is chainsaw work that is necessary to deal with some partially fallen trees - 3 or 4
- Mike is going to reach out to NEKBC to find someone who might be willing to do the chainsaw work?

- Joe is working with Lyndon via the Caledonia Trails Collaborative on a shared intern - should we pursue that?

- More discussion of broadening the purview of this committee's charter to include all town wooded properties

### Inventory Work

- Matt Langlis is planning on coming to Sep meeting. Everyone needs to have reviewed the initial assessment before that meeting.

### Fall Foliage Walking Tour

- is 28th Sep, get a final commitment from Fairbanks on that front.

### Fall Workday?

- Buckthorn patrol

- Chainsaw work, as mentioned above

- Possible rebuilding work, would require fill

- Waiting on further planning of this until Sep meeting.
