WE'RE HIRING YOUTH SPORTS COACHES

We are looking for enthusiastic and responsible adults who are passionate about positive youth development to provide a fun and safe athletic experience for our community youth. In this role you will be responsible for designing and implementing basic sports strategies, leading team practices and games, and communicating information to parents/guardians on any changes to practices and games schedules.

We focus on the enjoyment of physical activity, social/emotional and physical skill development, teamwork, and of course, FUN! We expect our coaches to instill values, ethics, and skills that support sportsmanship, positive team spirit, and community engagement. While some sports may incorporate the concept of wins and losses, the main goal is to provide a recreational, non-competitive environment over an atmosphere of expected excellence and exclusive talent.

A successful coach should have experience working with youth, knowledge of basic sports strategies, and good communication skills. A high-performing coach provides an inclusive environment, developmentally appropriate practices, and ensures all participants can safely enjoy an engaging and motivational experience.

This is a seasonal, part-time position with an hourly rate of \$18 per hour. Time commitments vary by sport and include 1-3 hour-long practices during the evening hours each week and/or 1-4 hours on Saturdays for games and events. The Fall 2025 season runs Tuesday, September 2 through Thursday, October 30, 2025.

Coaches are currently needed for the following youth sports: Soccer, Flag Football, Volleyball, Pre-K/Kinder Skills & Drills (please specify sport of interest on application)

To apply please submit an application and letter of interest to:
