## TOWN OF ST. JOHNSBURY

St. Johnsbury Bicycle/Pedestrian Committee Minutes  
Friday, September 5, 2025  
10 AM Town Conference Room

Present: Susan Cherry, John Raser, Willie Nickerson, Sarah Gagne, Chad Whitehead.

The purpose of this meeting was to get committee input particularly on the South Main crossings for the Preliminary Bay Street Plans for the Lamoille Valley Rail Trail Extension.

### Recommendations from the committee:

1. Consider a bump out on Bay Street to create a wide crossing area
  - a. Perhaps create a 2 month cone experiment to see how it works
  - b. This area needs a refuge section – an increased bump out could create that
2. Confine the intersection
3. Working in phases – there may be more Northern Borders funding in the future – What are the current funding priorities?
  - a. Lighting has a high committee priority – it invites people to travel more in the area
  - b. Potential money saving with a smaller wall
4. The committee was in agreement about the Town pursuing purchase of the RK Miles property for expanded economic development with a recreational focus.
5. Chad will call the group back together to discuss the next steps as needed.
