

St. Johnsbury Cemetery Commission
February 13, 2026

The St. Johnsbury Cemetery Commission met at the town conference room. In attendance were Tim Clouatre, Lauren Järvi, Karen Budde, Chad Whitehead and Andy Dussault.

Meeting called to order by Lauren at 8:02 AM.

Andy presented his revised map of the SJCC using the earlier version with updated ratios. Karen will review it with him and any needed adjustments will be done. We're delighted with Andy's work, and the promptness with which he was able to complete the project. We'll revisit the survey in the spring, along with new signage and name change considerations.

Tim moved to approve the minutes from our January 16 meeting. Seconded by Lauren. Approved by T & L.

Karen has learned from the Derby Cemetery that Mrs. Eaton was indeed moved there. Karen is waiting for official record of this at which point we'll contact her son, Peter, and have him complete the process that should have been done prior to this removal from the Grove. Karen continues to progress with coordinating and aligning all of the SJCC records that will go into a comprehensive database.

We discussed various tasks and projects we'd like for DPW to undertake for us this year. Chad offered to invite Larry to attend our next meeting, in April, so that we can have a clear mutual understanding for what we need to have done, and how best to follow up on progress. Included were removal of accumulated trash both in the SJCC and around the perimeter, removing hydrangeas there, and repainting the directional arrows on the driveway. Cemeteries should be open by May 1 which requires DPW to remove the jersey barriers at the entrance. We also need to clarify our expectation regarding mowing and trimming around monuments to reduce any damage and dislodging as has happened in the past.

Tim moved to adjourn at 8:58. Seconded by Lauren Approved by T & L

Our next meeting will be on April 17. .
