## Knob Committee Agenda

7/9/25, 5:30 PM, Welcome Center

### Agenda:

1. Rock climbing on the Knob. Someone wanted to do a bit of light climbing at or near a spot called 'Devil's Rock.' No one seems to know where this is, but the question (do we allow rock climbing?) may arise again.
2. Signage. Eric of Arrowwood sent photos (attached) of someone biking through one of the wetlands areas. Do we need signage to try to keep people from cutting through these and other sensitive areas?
3. Idea for creating a main circular trail for the Knob. More info and background below.
